And Flowering Shrubs

Most Complete Nursery in the State for Hardy Evergreens

LANDSCAPING SERVICE

Beck's Nursery St. Cloud, Minnesota

Nursery Located on Highway No. 23 and 52

BECK'S NURSERY

General Line of Nursery Stock
DIVISION STREET
ST. CLOUD, MINNESOTA

Beck's Nursery is located on pavement between St. Cloud and Waite Park on highway No. 52 and 23.

Our soil is heavy, black loam with clay subsoil, just the soil for fast production of thrifty nursery stock. This is not the largest nursery in the state, but you will find a most complete assortment of trees, shrubbery and flowers. Although I grow a general line of nursery stock, I specialize in growing evergreens, producing about 50,000 per year.

I have planted trees and shrubbery for 20 years; landscaping and planting 25 or more of the finest homes in St. Cloud and nearby towns, often traveling 60 or 75 miles from home.

Our prices quoted in this booklet are about as low as good trees can be sold for. On large jobs I will be glad to quote you a special price, if you send me your want list.

If stock is wanted shipped by parcel post, postage must be included with order. We generally can ship bundles up to $5\frac{1}{2}$ ft. long.

Our terms are cash with order, but will ship cash on delivery if one-fourth is paid with order.

SPECIAL PERENNIAL OFFER \$1.00

- 6 Delphinium, strong, one year old.
- 3 Aquilegie, rainbow colors, two years old.
- 3 Veronica, blue spikes, two years old.
- 3 Creeping Perennials.
 15 Blooming Size Plants that will bloom the same year as planted.

EVERGREENS

The small evergreens can be handled without dirt on the roots. It is the safest way to dig the trees (over 18 inches) with a ball of dirt and burlapped. Digging them with a ball of dirt is called B. & B. Where there is specified B. & B. they will be dug that way, and they should be planted with the burlap on.

ROSES, hardy, monthly blooming. HANSA, purple red, flowers double.		
WANGUARD, very large, double, orang	e, yellow, sti	ong
grower. AMELIA GRAVEREAUX, dark fire red, do	nuble A fine i	*08A
BELLE POTTEVINE, pink, double. A go		
the shrubbery. SIR THOMAS LIPTON, double white fi	owers good	foll
blooming.		,
DR. ECKENER, double buff flowers, str	ong grower	with
nice leaves. PAUL NEYRON, double rose pink, flower	rs, long stems	on
a small bush.	,	

E. J. GROTENDORST, clusters of deep pink double flowers. Blooms all summer. Cut the stems back each spring

RUBRIFOLIA, red leaves, flowers pink, single. Has lots of red berries hanging on bush in winter. Tall grower. A fine rose to plant among other shrubs.

PERSIAN YELLOW, flowers double and deep yellow. Tall grower and blooms in June only. A nice clean rose for the landscape.

The roses above are all hardy.

2 years old, each

WINDBREAK OR GROVE TREES

It will pay big to plant out a good size grove or windbreak. The cost is very small and think what a comfort for the livestock in winter. After a few years you can begin to cut wood, rails and lots of things from your own woods.

Plant several rows of different kinds of trees, such as White Ash, American White Elm, Chinese Elm, Carolina Poplar, Spruce, Pine, Red Cedar, Caragana, Russian Olive, Cherries and half wild plums. A few Weeping Willows on the outside to add real beauty to the grove wouldn't be out of place.

Special low prices for windbreaks.

	300 of a kind takes	1000 rate

		and the second second

I can furnish smaller sizes at a small saving. Also larger sizes can be furnished, but the above small trees are large enough to see them—even if the weeds should get a foot

high.

And don't overlook the fact that keeping your planting cultivated and nearly free from weeds is practically all the information there is needed. Make up your mind that you will start a grove this year and that you will take care of it. You will be surprised how quick the grove gets 10 feet high and then it won't have to be cultivated any more.

PERENNIAL FLOWERS, GLADIOLA, PEONIES, DHALIAS, **BIRENNIALS**

Those are low, suitable for rock garden and low border. Those are tall and should be planted in the back-ground. It is nice to plant Delphiniums and Phlox between and back of shrubs.

Achilea, low growing yellow flowers. Achilea, the Pearl, white Agrostemma, flowers rose red.

R.

Alyssum, yellow. Anchusa, tall, flowers blue. Anthemis, 2 ft., yellow. Aquilegia, 2-3 ft., flowers all colors.

R. Arabis, white.

- R. ${
 m R}.$
- Arenaria, evergreen foliage, white. Ameria, low with pink flowers. Aubrietia, flowers red. Baptisia, blue flowers like lupins. \mathbf{R} . Campanula, birennial. Chelone, spikes of rose pink. Coreopsis, 2 ft. yellow.
 Betonia, purple, fine border plant.
 Doroncum, large yellow flowers.
 Delphinium, tall spikes, all colors.

T. Dianthus, Sweet William.

Dianthus, garden pinks. Dicentra, Bleeding Heart. Erigeron, 2½ ft., blue. Funkia, lillies. Galia, flowers lilac. R.

 \mathbb{R} .

Gypsophila, Baby Breath. Helliopsis, yellow cut flower. Hollyhocks, double, all colors. T. T.
